Emotionally Healthy Spirituality Course

Emotionally Healthy Spirituality is the title of a book and a course, both aimed at helping us deepen our relationship with God by looking at ways we can improve our emotional health and our relationships with others. Having done this course, I wholeheartedly commend it to you. Tineke and Peter have kindly offered us their home for the 8 session course which will run on Tuesday evenings, starting on 2nd May and ending on 27th June (there will be no meeting on 30th May). There are sign-up sheets at the back of church for you to put your name and contact number if you would like to take part. There is no charge for the course, although the book by Peter Scazerro, on which the course is based, costs £9.99 from Amazon and I will gladly order copies for anyone interested. I hope you can join us.

Thank you. Stephen Everard
