Understanding Yourself, Understanding Others Day

Sat 17 September 2016 ,9.30am-4pm **Waverley Abbey House**, Surrey
£49.50 if we book early.

Understanding our personality and our preferences is invaluable for personal and spiritual growth.

This course uses the Myers-Briggs Type Indicator® to explore each person's unique, God-created personality. Developing a greater awareness and appreciation of our preferences and differences can help us in relating to others, in the problems we face and in the choices we make.

If you are interested in joining me for this day let me know – Annabel Russell tel.782003. More information can be found at www.cwr.org.uk under courses.

Temporary Help Required

Good news: I've had my operation (thanks for all your prayers and messages of support) and am recovering steadily and Peter Sanders spent a full day in the churchyard mowing on Friday.

Bad news: My recuperation period of 6 to 8 weeks is longer than I thought it would be, and as Peter found, the grass is growing fast, also the car park and surrounds will need mowing this week and strimming will need to be done very soon. Help!

I will be available most days to give access/advice for the mower or strimmer. If anyone finds a pocket of time when it is dry and 'gets the urge' to help keep our beautiful St Leodegar's churchyard neat and tidy, it would be most appreciated.

Thanks for offers of help thus far, Tony 786390
