Please let Alan Rees or another Warden know if you can help and bring your own gardening tools. The clean up will start at 9.30 am and refreshments will be available.

New Evening Service

Let me invite you to join us for an informal service of praise and worship being led for us by a team of people from St. Mary's, Yapton. I was invited by Revd Richard Hayes to preach at this service in Yapton in January. I really enjoyed it and felt it was something we could try here. So please do come. It is at **7pm** on **Sunday, May 18th** at **St. Stephen's**. Refreshments will be included and we will be finished by 8.30pm. **James**

Curate Exchange

The Diocese is keen for all curates to have as wide an experience of parish ministry as they can before they become Incumbents themselves. For that reason over the next month to six weeks (starting in May) Neil will be assisting Canon Mark Payne at St. Pancras and Mark's curate, Chris Styles, will be coming to us. The main focus will be on Sunday ministry as both Neil and Chris have ongoing midweek things that they are involved with in their own parishes, and it is important that that continues. However, where there is appropriate opportunity, Neil and Chris will also be given a flavour of some midweek activities in their adopted parishes. As stated, this is only for a very limited period of time as it should be, but the Diocese are keen to see how it works as it could be something they develop further in the future. I look forward to introducing Chris and his wife Dawn to you in due course. **James**
